RESUBMISSION OF SPECIFICATION

In response to an e-mail notification received today from the examiner, a copy of the specification as submitted 6/18/2004 is resubmitted herewith.

It is respectfully submitted that the specification is on file (private PAIR) but is mislabeled: the entry reading CLAIMS (11 pages) having a date of 6/18/2005 is in fact the specification which is a literal translation of the German text as filed and begins with the claims section.

Respectfully submitted on September 6, 2005,

Ms. Gudrun E. Huckett, Ph.D.
